PROMOTED . . . Howard W. Huget has been named sales vice president for Torrance Machinery and Engineering Inc., designer and builder of pipe mills that produce steel pipe in varying sizes. Huget lives in Palos Verdes with his wife and five children. He holds a degree in civil engineering from Oregon State University.

New Golf Fees Set By Council

As a result of a recent action at a Torrance City Council meeting, the present Sea-Aire Golf Course rates have been raised. The new green fees are 75 cents for adults and 35 cents for those 18 years or younger. The youth admission charge includes rental of up to three clubs.

Course hours are from 9 a.m. to dusk Tuesday through Friday and 8 a.m. to dusk Saturday, Sunday, and holidays.

The course will be closed Mondays unless a holiday falls on that day.

In addition, there will be a Teenage Golf Club pass which allows the holder, 13 to 19, up to five rounds of golf for \$1.

Accident Ends In Fistfight

A minor traffic accident early Saturday morning ended in a fistfight between the drivers, police said.

Nursing a bloody nose, Toby Romero, 39, of 21009 Amie Ave., Apt. 17, told police he will seek a battery complaint against Elmer Sproat, 24, of 2093 Amie Ave., Apt. 5.

Romero said Sproat pulled him from his vehicle, struck him in the nose, and then kicked him while he was down. Sproat claims he and Romero were on their way into an apartment to call police when Romero took a swing at Sproat, forcing Sproat to defend himself.

Police said the fender-bender collision occurred at 2:15 a.m. in front of Romero's apartment.

Swim Pools Opened to Youngsters

Attendance at free learn-to-swim programs being conducted at 30 county pool near 17,000 the first week of school summer vacation Supervisor Kenneth Hahn said today.

Hahn, who initiated the free swim program under the title "Operation Big Dip" two years ago, said attendance at pools in his district totaled 7,435, including 647 at Alondra Park.

Free swim instruction is offered each weekday morning under the watchful eyes of trained lifeguards at all county pools.

Hahn said level of instruction varies from beginners to advanced.

"Swimming is a fine sport and wholesome recreation," Hahn stressed. "It is also a skill that every youngster should have to be able to save his own, or a friend's life, if the need occurs."
